

OnBase Project Manager

Hello!

Had a chance to check out our agenda yet? If so, you know there's a lot to do and see at the show — not to mention networking with OnBase professionals from around the world. With so much to choose from, it can seem a little overwhelming at first.

No worries. We're here to help.

The CommunityLIVE team will help you identify relevant courses specific to your OnBase solution or your professional role. For example, the sample conference agenda below includes courses recommended for OnBase Project Managers.

Take a look. Adapt it to create the CommunityLIVE experience you want to have. Or maybe it's just what you were looking for.

See you in Orlando,
